Hope & Heroes

Treating Children. Curing Cancer.

OUR MISSION

Hope & Heroes funds the life-saving work on childhood cancer and blood disorders in the New York region, including cutting-edge research, support for families, and care that always puts children first. We are investing in medical research to save lives and provide the best possible care to children with cancer and blood disorders. The simple truth is that our patients need life-saving therapies. Survivors need programs and services that help them diminish the long-term effects of treatments. Our patients' families also need a supportive community because a child's diagnosis affects them too.

Hope&Heroes

Treating Children. Curing Cancer.

GIVE THEM HOPE – BE THEIR HERO!

You can make an impact. Text to Pledge is a unique opportunity to support the mission of Hope & Heroes. Throughout the evening, you can make an online donation to Hope & Heroes.

To make a donation, all you have to do is text your name and pledged donation amount to **646-832-4001** or scan the **QR code below.**

Your donation will not be billed through your mobile carriers. Instead, you will receive a text with a link that will lead you through the payment process .

Your 100% tax-deductible donation will go directly to the important work that Hope & Heroes supports.

Thank you for investing in tomorrow's pediatric cancer cures today!

30 Years
